

Health, Safety & Environment Policy Statement – General

LARSA Security is committed to continually improving its service delivery, while protecting its staff, subcontractors, customers and the environment. LARSA believes in maintaining a high level of safety and a secure operational Environment.

LARSA Is Committed To:

Meet, or exceed, our clients' expectations, through a commitment to best practice in all areas of our service delivery process.

Meet all rules & regulations set by local authorities and comply with internationally accepted Health, Safety and Environmental standards.

Provide and maintain a safe working environment and necessary training to promote knowledge and competency of LARSA employees and sub-contractors to enable them to safely carry out their assigned duties.

Identify risks and impacts to staff in the workplace and have mechanisms for continual improvement - through the effective implementation of management programs for Health, Safety and Environment related activities.

Maintain the best practice for the safe use, handling, storage, and control of hazardous substances.

Protect the Health and Safety of LARSA employees, subcontractors and customers as well as third parties.

Protect the environment and, where possible, support clients and subcontractors to the same level of best practice.

Safeguard the working environment and those of the communities in which we work.

Protect the environment from exploitation by internal or external parties.

Maintain equipment and work-related tools in a safe state and ensure safe ambiance for those who work on behalf of LARSA.

Ensure and maintain thorough action plans in the event of emergencies.

Responsibility for compliance with LARSA's HSE Policy and Standards lies with the Country Security Managers, Executive Management, Managers of Staff and Associates.
